MEMORIALS.

RE MAINTENANCE OF BRIDGES.

To the Honorable The Legislative Assembly of the Province of Ontario :—

The Memorial of the Municipal Council of the Corporation of the County of Welland,

HUMBLY SHEWETH :—

That Sec. 30, Chap. 50, Ontario Statutes, 1890, relating to the construction and maintenance of bridges, 100 feet in length or more, is, in the opinion of your Memorialists, unjust in its provisions and enactments, and framed in such a manner as to result in much litigation, unnecessary expense and embittered feeling throughout the Province.

That your Memorialists are forced to the conclusion that the Act in question could not have received that careful thought and searching attention ordinarily given to such subjects by your honorable body.

Your Memorialists submit :—

That no Act should be placed on the statute books of the Province which fails to do strict justice to County, Township, Town and Village Municipalities alike.

That bridges of 100 feet in length or more are by no means the only extraordinary expenditure with which municipalities have to contend, and an attempt to assist municipalities burdened in this

respect can scarcely fail to do grievous injustice to municipalities equally, or more seriously, burdened in other directions.

That while in new and unsettled portions of the Province some provision of this character might be necessary, nothing can be more certain than that in old and long settled districts, where the conditions impliedly complained of have always existed, and where purchases of property from the earliest date of settlement have been made with the full knowledge of such conditions, such provisions and enactments as are covered by this section can only work injustice.

Your Memorialists therefore pray that Sec. 30, Chap. 50, Ontario Statutes, 1890, be repealed.

And your Memorialists, as in duty bound, will ever pray.

REPORT OF JAIL COMMITTEE.

To the Warden and Councillors of the County of Welland, in Council Assembled:

Your Standing Committee of Jail Building beg leave to submit this their first report :

Your Committee met in the County Attorney's office, at the request of Mr. Cowper, who pointed out that the outer office needed a table for use by Board of Audit, also a desk for use in the inner office, on account of the removal of these articles formerly in use, they having been the private property of the late County Attorney. There is a small book-case on the inventory of County property claimed by L. Clarke Raymond as his own. Your Committee did not feel disposed to allow him to remove it without the consent of the Council, but would recommend he be allowed to have it.

An estimate for the purpose of heating the Registry Office by steam has been placed before your Committee, and as the stoves at present in use will not last longer than this season, your Committee would like an expression of opinion from the Council on the matter.

Your Committee would recommend payment of the following accounts :

F. Swayze & Son, ticket for tramp.	\$ 1 35
Hyatt & Stephens, altering sash and putting glass in office of County Clerk and Treasurer.....	1 80
J. E. Morin, oak office desk for Registry Office and freight ..	35 66

REPORT OF THE STANDING COMMITTEE ON HOUSE OF INDUSTRY.

To the Warden and Councillors of the County of Welland, in Council Assembled :

Your Committee beg leave to report as follows :

The following tenders for supplies were received and opened on the 12th day of December :

Meat—W. J. Best.
Dry goods—The Ross Co.
Boots and shoes—D. McCaw & Son.
Bran and middlings—Taylor & Moore.
Bread—F. Finlay.
Bread—Wm. Stoner.
Wood—H. Hanham.
Wood—David Bald.
Wood—J. Asher.
Wood—J. R. Moore.
Wood—J. Trumm.
Wood—J. P. Moore.
Wood—J. C. Hill.
Wood—Thos Blanchard.
Groceries—J. B. Taylor.
Groceries—C. J. Page.
Groceries—Geo. Stalker.

The tenders of W. J. Best, for meat ; Ross & Co., for dry goods ; D. McCaw & Son, for boots and shoes ; D. Bald, for wood ; Wm. Stoner, for bread ; J. B. Taylor, for groceries ; Taylor & Moore, for bran and middlings, were accepted, being the lowest.

Your Committee have had the heating apparatus completed in drying room of laundry at a cost of \$10.45. We have also purchased two cattle for beefing and one milch cow.

We submit for your consideration the estimate furnished us by

the Waterworks Committee of the Town of Welland in reference to the supply of water to the House of Industry.

We have also considered the account of Dr. J. O. Emmett for examining persons transferred from the House of Industry to the Provincial Asylum, and we find that the Jail Surgeon is paid \$4 for examining each person sent from the jail, under authority of Chap. 245, R. S. O., 1887, section 11, sub-section 2. Dr. Smith has been paid the same amount for examining persons in the House of Industry; we therefore recommend that the said account be paid.

In December one Wm. Routledge, an inmate of the House of Industry, preferred certain verbal charges against the Keeper, but on investigation we were satisfied that they could not be sustained. He demanded to be heard before the Council, which we cannot recommend. He has since been insubordinate and insolent in his demeanor, and has been committed to the jail by the Police Magistrate of this town upon charges laid against him by the Keeper.

We again beg leave to recommend that a proper detached hospital be built and an addition be made to the barn suitable to the requirements of the farm.

All of which is respectfully submitted.

Inspector and Chairman.

SUPPLEMENTARY REPORT ON HOUSE OF INDUSTRY.

GENTLEMEN.—

There are some further particulars with which I think it is desirable that the Council should be made acquainted, but which could not be conveniently inserted in the foregoing form. I shall therefore briefly allude to them now.

The following inmates have died during the year:—

John Morrison, committed from Stamford.		
Abraham Kratz,	"	" Thorold.
James Armour,	"	" Welland.
Nelson House,	"	" Willoughby.
John Moore,	"	" Pelham.
Catharine Reghuen,	"	" Willoughby.

George Brown, committed from Bertie.

Frederick Stewart, " " Stamford.

John Brooks, " " Wainfleet.

Kitty McClintock, a child born in the Home, the mother from Pelham.

Mary Allen, a child born in the Home, the mother from the Town of Niagara Falls.

The only child born in the Home during the year 1891, was the aforesaid Mary Allen.

Of those enumerated in the foregoing report as discharged, George Ray, John Ford, John Clark, W. D. Swayze and Rachel Hodgson were transferred to Provincial Asylums; Arthur Jackson to the Penetanguishene Reformatory, and Mrs. Forsythe to the St. Catharines Hospital.

The number of days board for servants and assistance is as follows :

Nancy Willson.....	365 days
Joseph Fiddler.....	365 "
Louisa Phillips.....	106 "
Sarah Robertson.....	7 "

849 days

The sum expended for permanent improvements, repairs, purchase of farm implements and other purposes not properly chargeable to inmates support, I have itemized as follows :

P. McMurray, account for 1890.....	5 40

\$370 02

The account of the Ross Co. for clothing, amounting to \$96, purchased in November, 1890, but paid in March of the present year, has not been included in the above statement, for although some of the said clothing was worn in 1890, another part has come into use during the year 1891, and two entire suits and three spare coats, which never yet have been worn, represent a value of \$25. The practice of having accounts carried in this manner from the latter part of one year into the next year, seems to me very unwise and improper.

The proceeds of products, etc., sold and accounted for, as follows :

April 1st, 1891, received by Co. Treasurer	\$ 29 30
August 7th, " "	53 92

\$ 260 90

Furnished to Jail, 1 spare radiator..... 9 00

During the year we have purchased four cows and one calf at a total cost of \$128. These purchased replace the cattle we have killed during the year and leave the value of live stock on hand very nearly what it was on 31st Dec., 1890.

Tools and implements purchased:

I again beg leave to call the attention of the Council to the unsatisfactory condition of the hospital, and also to the insufficiency of the barn. The importance of having a better hospital building as soon as possible will be obvious to everybody. As to the barn, I may mention that at the December session we were obliged to store five loads of cornstalks in Mr. Bald's barn, and had also 6 pits of roots in the field, containing 1000 bushels, having no room for them in the cellar, and, besides, a number of farm implements standing outside.

The cost of obtaining water has been very considerable every year, and the loss of time and labor in drawing water is worth considering.

It is very desirable in my opinion that fuller and more definite information should be obtained respecting the antecedents, &c., of

persons committed to the House of Industry, and as this can very seldom be procured from the persons themselves, I beg leave to recommend that forms similar to the draft annexed hereto be printed and distributed among the Reeves of Municipalities, and that they be desired to fill up the same and send to the Keeper with the commitment of each person.

All of which is respectfully submitted.

REPORT OF SPECIAL COMMITTEE APPOINTED TO CON-
SIDER THE POSITION OF THE TOWN OF WELLAND
AND TOWNSHIP OF WILLOUGHBY IN REGARD
TO SECTION 30, CHAPTER 50, OF ONTARIO
STATUTES OF 1890.

To the Warden and Councillors of the County of Welland:—

GENTLEMEN :

Your Committee beg leave to report as follows :—

They have examined the aforesaid statute and are doubtful as to the true meaning and intention thereof, and therefore must decline to commit this council to the payment of any sum to said municipalities under the said statute, but having regard to the special circumstances of the bridge over Welland river within the said town of Welland, entailing a very large expenditure of money by the said town for maintenance, and the necessity of said bridge for general travel, your Committee beg leave to recommend that this council should make such a grant as may seem just and equitable in aid of the Town of Welland, to be expended in the maintenance of the said bridge.

All of which is respectfully submitted.

WELLAND, Jan'y 27, 1892.

To the Warden and Council, Co. Welland:

GENTLEMEN :—

I beg on behalf of the Matron and myself to ask your hon. body for increase of salary of \$50.00 *each*. We find that we are working here a great deal below any other Home in Ontario, and that the Keeper and Matron of the County of Lincoln, (our nearest neighbors,) have been getting \$100 per year more than we have for some time.

There is quite a bit of book-keeping and correspondence here, and we have about half as many more inmates to look after, and yet they get \$100 more than we do.

Trusting, gentlemen, you will favorably consider this,

Yours respectfully,

[Sgd.] JNO. W. HEMMING,
Keeper.

FROM COUNTY GREY *RE* SCHOOLS.

DEAR SIR:—

I have the honor, by direction of the Council of the Corporation of the County of Grey, to enclose herewith a copy of a memorial to His Honor the Lieut.-Governor of Ontario in council, praying that the existing School Law, which allows the continuance of union High and Public School Boards now in existence, be amended so as to entirely abolish all such unions, and respectfully request you to lay the matter before your Council at its session in January, and to solicit its co-operation in this matter.

I have the honor to remain,

Your obedient servant,

NIAGARA FALLS SOUTH, Jan. 28th, 1892.

To Warden and County Council:

GENTLEMEN:—

I beg leave to notify you that the Welland County Farmers' Institute now has over 60 members enrolled for this year, and that one of the pre-requisites is a grant from this county of (\$25.00) twenty-five dollars. As the present Council possesses very superior new material, the vote will doubtless pass without a dissenting voice. I am glad to be able to report that our Institute is in a flourishing condition in every way.

Sec'y-Treas.

Please read this card at the opening meeting of the County Council. We are making our annual appeal to the County Councils for grants in favor of the Prisoners' Aid Association. A grant from your County will be thankfully received. I send you 25 copies of our annual report for distribution among the members of the Council. It contains the report of the Prison Reform Conference.

Respectfully,

A. M. ROSEBRUGH,

FROM NIAGARA FALLS *RE* MISS McCANN.

MAYOR'S OFFICE,
NIAGARA FALLS, Ont., Jan. 27th, 1892.

To the Warden and County Council, Welland:

HONORED SIRS:—

I beg to submit for your kind consideration the case of a Miss McCann, an insane destitute person who was sent to the Home in October last, which was before the council in December, who then

decided to disallow our claim. The history of the case as then given is as follows: This person was sent from here to the Home by certificate, medical and my own. Admission was refused by the keeper upon the ground that she was not a fit and proper person to be admitted; was returned by the keeper to us; we had to care for her here, causing the expense to the amount of which you have. I now ask that you will reconsider our claim, believing that we are entitled to a reimbursement. I submit that the keeper should have consulted the Home Medical Examiner before returning her to us.

Trusting you will give the matter a careful consideration,

I remain, yours truly,

(Sgd.) S. BINKLEY,

Mayor.

[It was claimed that the person had not been six months' resident. I enclose the evidence of the brother-in-law, H. Vanderburg.]

I am the brother-in-law of Miss McCann. She came to my place from Stratford in February last, remained till the first of May, when she went to the United States; worked there till the fore part of June, when she returned; remained to the last of September; was away again until the 20th October; came back to my place and was there to the time she was sent to the Home at Welland. I am not in circumstances to be able to support her, and her people are not able to help her. I live in a rented house, and only receive enough wages to keep myself and family. Have a wife and child.
